

## **FRESHWATER POND RECREATION AREA / CONCEPTS**

- **Market Freshwater Pond as a “family friendly” recreational area**
- **Develop a “River Walk / Green Belt” concept from Route 5 to CT Riverfront**
- **Provide connections to 190 Bridge Bike Path, Transit Center and CT River Access Area with pedestrian pathways**
- **Encourage the “Livable, Walkable, Village Center” concept to complement future Transit Oriented Development**
- **Encourage complimentary Business Development i.e. outdoor dining, health food stores, active wear, sporting goods, biking, fishing, and boat rentals, etc.**
- **Institute “Way Signage” to direct both vehicular and pedestrian traffic**
- **Improve / enhance public parking facilities and signage**
- **Explore renovation ideas for Corona’s “Fire Tower”**
- **Develop concepts for improving the south side of the pond / Ideas to integrate recreation with existing housing (D’Aleo Park)**
- **Provide viewing areas for falls & downstream brook**
- **Encourage cultural events i.e. concerts on the green, arts & crafts fairs, and sidewalk art shows.**
- **Water features for pond such as a Lighted Fountain, Water Jets, Remote Controlled Boats.**
